

Program FederaDag 2015 “New Insights and Challenges”

Friday September 25, 2015

Theme: *Cancer and Numbers*

- 09.15 – 10.00 Registration and coffee
- 10.00 – 10.05 Opening by prof. Ed Brinksma, rector University of Twente.
- 10.05 – 10.35 *Cancer is everywhere*
Dr. Freddie Bray, head of section Epidemiology, International Agency for Research on Cancer (IAR). Lyon, France.
- 10.35 – 11.05 *It depends on what you work with*
Prof. Eero Pukkala, director for Research, Finnish Cancer Registry, Helsinki, Finland.
- 11.05 – 11.45 *Thanks to our genes*
Prof. Laura van 't Veer, Director, Applied Genomics, UCSF Helen Diller Family Comprehensive Cancer Center, San Francisco, USA.
- 11.45 – 12.00 Coffee break
- 12.00 – 12.30 *Search and thou shall find*
Prof. Gerrit Meijer, head of the department of pathology, Netherlands Cancer Institute, Amsterdam, the Netherlands.
- 12.30 – 13.00 *Tumor cells in blood: a real time liquid biopsy*
Prof. Leon Terstappen, head of the department of Medical Cell Biophysics, University of Twente, Enschede, the Netherlands.
- 13.00 – 13.45 Lunch
- 13.45 – 14.15 *Counting cancer and improving cancer control – an illegal activity?*
Dr. Hans Storm, medical director Danish Cancer society, Copenhagen, Denmark
- 14.15 – 14.55 *Translating insights from dermatoepidemiology to cancer epidemiology and clinical practice.*
Prof. Robert Stern, Chair, Dermatology, Carl J Herzog Professor of Dermatology, Beth Israel Deaconess Medical Center, Harvard Medical School, USA.
- 14.55 – 15.15 Federa Awards
- 15.15 – 16.00 Debate (In Dutch):
The number of stem cell divisions determines your cancer risk
The paper in Science by Vogelstein: “Variation in cancer risk among tissues can be explained by the number of stem cell divisions” will be discussed from research and media perspective.

Leader of the debate: Marcel Hammink (journalist)

Dr. Onno Kranenburg, pathologist, UMC Utrecht: *what is a stem cell?*

Prof. Floor van Leeuwen, epidemiologist NKI: *methodology issues*

Ellen de Visser, journalist: *media issues*

Prof. Jan Willem Coebergh, epidemiologist: *validity issues*

16.00 Drinks

Program committee:

Sabine Siesling, chair program committee (VvE, IKNL, UTwente, Federa)

Sandrine Florquin (AMC, Federa)

Bart Kiemeney (Radboud UMC, KWF werkgemeenschap)

Martino Neumann (Erasmus MC, NVvO)

Anouk Pijpe (NKI/Gezondheidsraad, KWF werkgemeenschap)

Renate Winkels (WUR, KWF werkgemeenschap)

Leendert Looijenga, (voorzitter Federa)

Location:

University of Twente,
building 'de Waaier'
Drienerloolaan 5
Enschede, The Netherlands

Registration: www.federa.org All participants will receive a confirmation
